- Delivery/Pickup available for eligible rentals, (fee based on delivery ZIP code).
- We inspect and service every tool between rentals.

**We kindly request that you return the rental tool with a full tank of gas, as it was when you received it. This will ensure that the next customer who rents the tool will be able to use it immediately, without any inconvenience or delay.*

We rented an excavator from Cardinal for some outdoor projects. The customer service by the staff, especially Jimmy and Josh, were absolutely excellent. Those two gentlemen definitely understand the concept of phenomenal customer service. We cannot recommend Cardinal Home Center enough for rental needs.
